If you won't move with all of your stuff

Check your apartment, if you will really take everything into your new home. If not, order for bulk rubbish in time.

done

☐

Depp freezer

Until you move try to empty your freezer.

☐

Garbage

Have enough binbags available

☐

Wrapping your goods

If you want to pack your goods yourself, don't forget to order boxes in time. Also you will need tissue paper and bubble wrap Label all boxes on top so they can be brought into the right room in your new home. The lid of the boxes has to close horizontally so the boxes can be stacked.

☐

Craft paper

Pack your dishes and glasses in tissue paper and bubble wrap. Heyvier things at the bottom and lighter items on top. Please consider that the movers can not be held responsible for self packed items.

☐

Private and personal requirements

Pack all that you will need at your moving day into one suitcase so it will be ready to hand. Don't forget your pets and pet food.

☐

Disassambly and reassambly of your furniture

Arrange an appointment for your assambles, if needed. Also take care that someone will disconnect and connect your washing machine and dishwasher.

☐

Prohibition zone

Where required you might need a prohibiton zone so the load and unload of your goods can take part in front of your house. Permission might take some days.

Erledigt

Facility manager and caretaker

Ask your facility manager for permission to use the lift for your moving
If you ordered an inclined lift, ask for permission to place it.

☐

Plants

If you have hydroponic plants, drain off the water before moving. Your plants will survive one or two days without watering.

☐

Name tags

Remove your name tags from your postbox and doors and remove them at your new house.

☐

Post

Empty your postbox before leaving the old home.

☐

Keys tot he flat

Give all keys tot he flat back tot he landlord and let him confirm

☐

Your neighbors

Moving may bother your neighbors. Inrom your neighbors before moving .

☐

Furnishing your new flat

A simple way and big help when moving into a new flat is a rough draft oft he new home. So the furniture and boxes can be placed into the right room. Also don't forget to install all the lights in time

☐

Conclude your move

Together with your movers inspect everything for damages. Note down all damages and report them by no later then the next day.
